About

The Accuratus 260 Black from Ceratech is rare being finished in satin black.

This keyboard with its laser etched keys is an ideal compliment for those seeking a black matched system. Black has always been a firm favourite but getting the balance between looks, performance and price isn't easy - not so with the 260.

As an extra twist, the 260 Black has a patented 'one touch € key' giving you 3 major currencies, £, $ and €
